

A DIFFERENT KIND OF **PIECE** PRAYER

Lord...

Make me an ingredient in your soup...
Where there is blandness...
let me bring Your spice
Where there is weakness...
let me bring Your nourishment
And where there is coldness...
let me bring Your warmth.

O Divine Master...

Grant that I may not so much seek...
to be a chocolate éclair...
but show me that just to be a little potato...
often is far greater.

And Lord... help me to love and cherish
each one of my brothers and sisters...
with their own unique flavors.
Mix us all together in the water...
of Your Holy Spirit
And melt us over the flames...
of Your love for us.

And finally Lord...

Grant me the grace to accept with radiant joy...
the gourmet art...
of being poured out for Your poor.
